Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery the King of Throat and Lung remedies. Every atom is a health force. It kills germs, and colds and la grippe vanish. It heals cough-racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. Plaintiff prays that the said defendants may be compelled to show their estate or interest in or lien upon said real estate, or any part thereof; that the same may be adjudged to be null and void, and that the plaintiff's title to said real estate may be quieted against the said defendants and each of them, and that said defendants and each of them be forever barred from asserting any estate or interest in or lien upon said real estate or any part thereof, and that the mortgages, hereinbefore described and referred to, be ordered cancelled of record and for all such other relief as is proper and equitable. Said defendants are required to answer or demur to said petition by December 4th, 1909.
